Cut 'n Save Map and Directions

Billetproof Northwest - June 24, 2017

Southwest Washington Fairgrounds
2555 N National Ave
Chehalis, WA 98532

The Southwest Washington Fairgrounds are located in between the towns of Chehalis and Centralia. From the north, take Exit 81 and make your way into downtown Centralia. The names of the streets change seemingly at every intersection, so true directions are hard to write, but once in downtown, head south on Pearl St. you will need to veer left onto S. Viaduc Ave that will take you over a cruved bridge, it will change to Gold Street and then finally N. National Ave. From the south, take Exit 79 to NW Chamber of Commerce Way. It will "T" into N. National Ave. Turn left and go north. N. National splits into a divided one-way street with NE Kersky being the northbound portion. Continue north to Exhibitor Ave. Turn left, then left again on N. National Ave.

It just sounds confusing, look at the area on mapquest and it all will become clear.
